GULLIVERS MENU

SERVING UP DELICIOUS DRINKS, SNACKS AND DISHES FROM 9AM - 2.45PM

Hello and welcome to Gullivers! We're a café, farm shop and organic working farm providing support and opportunities to adults with varying support needs. We believe in the power of kindness, mutual respect and community.

Our biodynamic farm is a place where adults with varying support needs can live, work and thrive in a supported setting. We grow organic vegetables in soil and polytunnels without chemicals, while our eggs, milk and meat are produced using the highest animal welfare standards.

We're proud to say our delicious, seasonal dishes are freshly prepared by our talented team. This might mean wait times are slightly longer during busy spells. When it comes to food served in Gullivers Kitchen, we try to use local, organic or artisan produce whenever possible. However, due to nationwide supply issues and the rising rates of inflation, we will have to make substitutions for non-organic produce from time to time.

Thanks so much for your patience, kindness and understanding.

ALLERGIES

All our dishes are prepared in a kitchen that uses nuts. Please let a member of our team know if you have any allergies or dietary requirements when you order. Gluten-free bread is available, just ask a member of our team.
